January 2009

Dear travel colleague.

We do hope you have had an excellent Christmas and the new year brings you great benefits. The 2009 NZ travel agents, brokers, wholesalers and inbound/outbound database is now available.

More than 1 million visitors arrive in Australia from New Zealand each year! This tool is essential.

2009 New Zealand Travel Agents, Brokers Wholesalers and Inbound/Outbound Database *Out Now!!*

If you are already marketing in New Zealand, or are thinking about it, this contact database is essential. In the current economic climate people will be traveling closer to home and the NZ market will be crucial for the Australian Tourism Industry.

DO NOT miss out. With these up to date valuable contacts, you will be in control of your marketing initiatives, The database includes; physical/postal/DX/email addresses, tel/fax and contacts.

Contacts are your most important selling tool. Even if you have representation on the ground in New Zealand this valuable contact database is essential. Be pro-active and tell them about your product. Contrary to popular belief, sellers DO like to receive information about your product.

The database enables you to add your own comments and data. All required software and instructions are included.

This valuable and essential database is only available from us and is only AUS\$195.00

You cannot afford to be without this important marketing tool. Order either on line at www.ntc.co.nz or return the slip below. You may send a cheque in Australian Dollars or direct deposit. Email us at info@ntc.co.nz for bank our details.
